EDUCATION

University of Missouri-Columbia	GPA: 3.368	Expected Graduation: May 2028
Bachelor of Science in Mechanical Engineering		Minors: Mathematics, Aerospace Engineering

WORK EXPERIENCE

CMCO	May 2026 – August 2026
-------------	-------------------------------

Engineering Intern – Engineering Department

- Designed and facilitated the implementation of continuous improvements for two pull testers utilizing FEA analysis results and CAD software to promote safety and ease of operation
- Redesigned the electrical system on multiple pull testers to include safety

Kito Crosby

May 2025 – September 2025

Engineering Intern – Maintenance Department

- Led the implementation and adoption of the MaintMaster CMMS through development of preventive maintenance schedules, data analysis dashboards, and standardized workflows
- Produced and taught SOPs to ensure high-quality production and documentation

University of Missouri - Campus Activities Programming Board

February 2025 – Present

Data Analyst

January 2026 – Present

- Entrusted with confidential student information to build a data system for 7,000+ event records using advanced spreadsheet formulas focusing on system automation and attendance analysis
- Utilize trends to create committee specific executive summaries that guide department decisions

Experience Chair

March 2026 – Present

- Direct the planning, budget management, and execution of large-scale student-focused events
- Work alongside professional staff to facilitate vendor contracts and risk management protocols

EXTRACURRICULAR ACTIVITIES

Mizzou Quarter Scale Tractor Pulling Team

August 2024 – Present

Engineering Communications Representative

June 2026 – Present

- Coordinate with the College of Engineering to secure outreach and recruiting opportunities
- Collaborate with suppliers to redesign and provide new merchandise to members

X-Team Lead

June 2025 – June 2026

- Assisted with the production of drawings and assembly for multiple tractors
- Led the redesign of tractor Tiger 20 while teaching new members production standards
- Competed with our new design at the ASABE International Tractor Pulling Competition

Alpha Mu - Kappa Alpha Theta

August 2024 – May 2026

Archivist

December 2024 – December 2025

- Preserved and organized Alpha Mu's chapter history and recorded recent developments
- Contracted external vendors to arrange composite photos and ensure seamless operations

HONORS & AWARDS

University of Missouri Dean's List

Fall 2024, Spring 2025, Spring 2026

Alpha Mu - Excellence in Leadership

Spring 2025

West Point Summer Leaders Experience

Summer 2023

RELEVANT SKILLS

Technical Skills: CAD (SolidWorks, Inventor, AutoCAD), MaintMaster (CMMS), Google Sheets, FMEA, Root cause analysis, Data analysis, MATLAB, Microsoft Office Suite

Soft Skills: Problem-solving, Analytical proficiency, Quality driven, Consumer-focused, Self-motivated
