

Krista B. Wojcikiewicz

17748 Willard Lane Lockport, IL 60441 ♦ (815) 666-6198 ♦ Kristaw2006@icloud.com

EDUCATION

University of Missouri	Columbia, MO	Graduation Date: May 2028
Bachelor of Science in Mechanical Engineering		Minors: Mathematics, Aerospace Engineering

WORK EXPERIENCE

CMCO (KitoCrosby)	May 2025 – Present
--------------------------	---------------------------

Engineering Intern – Engineering Department

- Design and facilitated the implementation of continuous safety improvements on multiple mission critical machines
- Route critical heat-treat data through the SAP system, improving production traceability

KitoCrosby	June 2025 – September 2025
-------------------	-----------------------------------

Engineering Intern – Maintenance Department

- Led the implementation and adoption of the MaintMaster CMMS through development of preventive maintenance schedules, data analysis dashboards, and standardized workflows
- Produced and taught standard operating procedures to ensure high-quality production

University of Missouri - Campus Activities Programming Board	February 2025 – Present
<i>Data Analyst</i>	<i>January 2026 – Present</i>

- Built an attendance tracking system for 7,000+ event records using advanced spreadsheet formulas focusing on system automation and data analysis
- Analyze event attendance and spending trends to guide programming decisions

<i>Experience Chair</i>	<i>March 2026 – Present</i>
-------------------------	-----------------------------

- Direct the planning, budget management, and execution of student-focused events

EXTRACURRICULAR ACTIVITIES

Mizzou Quarter Scale Tractor Pulling Team	August 2024 – Present
--	------------------------------

- Collaborate with suppliers to redesign and provide new merchandise to members

<i>Engineering Communications Representative</i>	<i>June 2026 – Present</i>
--	----------------------------

- Coordinate with the College of Engineering to secure outreach and recruiting opportunities

<i>X-Team Lead</i>	<i>June 2025 – June 2026</i>
--------------------	------------------------------

- Assisted with the production of drawings and assembly for multiple tractors
- Led the redesign of tractor Tiger 20 while teaching new members production standards
- Competed with our new design at the ASABE International Tractor Pulling Competition

Alpha Mu - Kappa Alpha Theta	August 2024 – May 2026
<i>Archivist</i>	<i>December 2024 – December 2025</i>

- Preserved and organized Alpha Mu's chapter history and record current developments
- Contracted external vendors to arrange composite photos and ensure seamless operations

HONORS & AWARDS

University of Missouri Dean's List	Fall 2024, Spring 2025, Spring 2026
Alpha Mu - Excellence in Leadership	Spring 2025
West Point Summer Leaders Experience	Summer 2023

RELEVANT SKILLS

CAD Design (SolidWorks, Inventor, AutoCad)	MaintMaster (CMMS, OEE)
Problem-solving & Analytical skills	Quality-driven & Consumer-focused
